

The Disciple

St. John's Anglican Church, 230 Southland Rd., Americus GA 31709

Alleluia! Christ is risen!

The Easter season is a time for rejoicing. We rejoice, knowing that Jesus has conquered sin and death and has given those who believe in him life eternal. Jesus has forgiven our sins and united us to God.

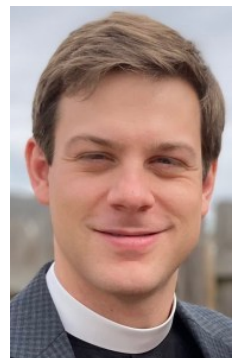

Holy Week was a wonderful week of worship at St John's this year. Thank you to all who volunteered time, talents, and treasure so that our worship could be God-glorifying and engaging.

From Palm Sunday through to Easter Sunday, we were blessed with wonderful weather and enthusiastic participants. As we journeyed with Jesus, we experienced a full range of emotions, from the highs to the lows. From the excitement of the triumphal entry to the humility of Maunday Thursday to the devastation of Good Friday and Holy Saturday to the unbridled joy of Easter morning.

Now we continue on in a spirit of joy, knowing that the one who conquered death is living and reigning still. Check out this issue of the Disciple to see what's going on at St John's during Eastertide as we continue to celebrate and grow.

In Christ,

Jim

Good Friday at St. John's The Way of the Cross

Easter at St. John's He is risen!

FULLER CENTER DINNER

The Fuller Center is building a house in Americus in partnership with Georgia Southwestern State University. Some 480 students have signed up to help, and they will be working half-day shifts for three weeks starting April 1. During the last week of the build, 25 Fuller Center volunteers will come in to bring the project home. On Sunday, April 14 we're having a kick-off dinner here at St. John's for the Fuller Center volunteers. Sid Cameron will use the new Blackstone Griddle to serve up hamburgers and hot dogs. If anyone would like to help with hosting, sides and desserts, please let David Snell know. We always show these groups a great time!

RECTOR SEARCH UPDATE

The search committee has completed its task and turned over its findings to the vestry. We had five viable candidates, all of whom were interviewed by a Zoom call. Two of them rose to the top and had a follow up interview. Videos of those two calls along with the application documents have been given to the vestry for final determination. We hope to be able to make a call by early May.

SIGN UP TO SPRAY

We need volunteers to spray the Church property for weed control. St. John's will provide the chemicals. Contact Lou Chase if you are willing to take one of the slots to spray.
